Supporting your child for a smooth transition into P3

Motivate your child to do their work independently

- When your child has completed a/an assignment/ revision/ homework independently, the teachers will have a better understanding of where your child is at and can close the learning gaps when necessary.
- Praise your child for his/her efforts in completing the task. Focus on the process and not the outcome alone.

YOUR WORDS MATTER

INSTEAD OF...	TRY
Be quiet	Can you use a softer voice?
I explained how to do this yesterday	Maybe I can show you another way
Stop crying	It's ok to cry
It's not at hard	You can do hard things
We don't talk like that	Please use kind words
