RELATING TO OTHERS

Build your child's interpersonal skills by:

- **Modelling the use of friendly and polite phrases**
 - "Hello! My name is... what is your name?"
 - "May I please..."
- **Providing opportunities for your child to share and take turns during playtime with other children.**
- **Teaching them coping mechanisms (e.g. deep breaths, quiet corner, stop-think-do) to enable them to manage their emotions.**

DEVELOPING GOOD HABITS

Routines help children learn to manage themselves.

Guide your child to do the following independently:

- Keep to a regular bedtime
- Make healthy food choices
- Pack their bag
- Dress themselves
- Buying food at the canteen

NURTURING POSITIVE LEARNING ATTITUDES

Developing the right learning attitude in your child will help them to transit smoothly into the learning routines in primary school.

You can encourage your child to:

- Ask questions about their experiences and the world around them.
- Express their thoughts and feelings and discuss what can be done if they have worries.
- Practise life skills independently (e.g. buy food and drink on their own, ask for permission etc).

You Can Help!

- Select bags of lightweight material with few compartments
- Encourage children to carry personal items in a separate bag to distribute load (however, just 1 extra will do)

- Pack school materials according to the timetable
