Supporting your child for a smooth transition into P5

Supporting your child's transition through

Primary 5/6

Build a caring home environment to nurture the social and emotional skills of your child using these S.A.F.E. tips.

SUPPORT

- **Encourage** your child to **talk to a trusted adult** for guidance.
E.g. Family members, school counsellors and teachers.
- **Help** your child **understand decisions** made **and actions** taken. **Share** the **reasons** for them.
- **Keep rules short** and **realistic**.
E.g. No handphones allowed during meal times.

AFFIRM

- **Recognise** his/her demonstration of **good values or social skills**.
E.g. Respect or good time-management.
- **Praise** your child's **efforts regularly**.
Only scolding him/her without providing any justified praise at other times can be demoralizing.

EMPATHISE

FAMILIARISE

- **Find out** what Primary 5 and 6 is like for students these days. **Moderate your expectations** according to your **child's own strengths** and **development**.
- **Share information** on physical changes during **puberty**; include the range of emotions that may accompany it.

- **Show** that you **understand** your child's **concerns**.
Be flexible in guiding your child when necessary.
E.g. Vary your voice tone when you talk to him/her at different times and circumstances.
- **Teach with less talk and more role-modelling**. Children learn a lot by simply watching.
