Supporting your child

Reading

Reading is a habit that we can build in children. P2 teachers will build on basic word recognition (e.g. recognising letters of the alphabet and their corresponding sounds).

You can support by:

Cultivating a love for reading

- Take your child to the library and allow them to choose their own books.
- Read together with them.

Taking small steps

- Provide time to see sight words repeatedly. Sight words are the words that appear most frequently in our reading and writing.

Supporting your child

Discovering the Joy of Learning

Play gives children a chance to practise what they are learning
- Fred Rogers

- ▶ Cultivate the love for Reading!
- ▶ Motivate your child to speak up
- ▶ Show new things which they can learn with enthusiasm
- ▶ Find out what your child is learning in school
- ▶ Celebrate small achievements
- ▶ Focus on their strengths and develop their talents
- ▶ Be curious and ask questions

Supporting your child

Paying attention

Children do better when they stay focused during group learning and complete tasks.

You can support them by:

Doing fun activities which require focus together

- Do activities that require focus to complete together (e.g puzzles).
- Sing songs with movements and repetitions, which can help reinforce memory.

Developing an awareness of time

- Help them gauge time by saying, "Let's play for another 10 more minutes and we will go home".

4 tips to check in with your child about school

Tip 1: Ask open-ended questions

Compared to 'Yes or no' questions, these can encourage your child to share more. If they are quiet, offer options.

Tip 2: Follow your child's interest

Talk to them about things that get them excited or chat about a school activity they mentioned. This shows you are interested in what they care about.

Tip 3: Problem-solve together

It's tempting to offer solutions right away when your child shares his problems. Instead, listen and ask them to think about how they will address the situation and guide them towards their own solutions.

Tip 4: Be a role model

Share your own thoughts to show it's ok to talk about one's emotions and worries. Explain how you deal with your problems, and encourage your child to find ways that work for them.
