Supporting your child

Specific

Do: Set real numbers with real deadlines.

Don't: Say, "I want more visitors."

Measurable

Do: Make sure your goal is trackable.

Don't: Hide behind buzzwords like, "brand engagement," or, "social influence."

Attainable

Do: Work towards a goal that is challenging, but possible.

Don't: Try to take over the world in one night.

Realistic

Do: Be honest with yourself- you know what you and your team are capable of.

Don't: Forget any hurdles you may have to overcome.

Time-bound

Do: Give yourself a deadline.

Don't: Keep pushing towards a goal you might hit, "some day."

Set **SMART** goals

- Help your child set a goal and then to work towards that goal to prepare them to learn in school
- The goals can be short term or long term
- Have conversations with your child as you do goal-setting together
