

Dear Parents,

Thank you for your support in helping the school with our precautionary measures to manage the spread of Covid-19. My frontline staff have given feedback that parents were very understanding and cooperative when approached. Your kind gesture do mean a lot to my staff and I really appreciate it.

Other than the precautionary measures, the current situation is also a good opportunity to educate our children to take care of themselves and others by following these simple 6 steps:

- 1) Bring their thermometer for temperature taking
- 2) Wash their hands thoroughly with soap regularly and avoid touching their face with their hands.
- 3) Use tissue to cover their nose and mouth when they sneeze or cough
- 4) Wear a mask if they are unwell and see a doctor.
- 5) Practise the wipe-down routine after meals
- 6) Boost their immunity with proper diet, such as fruits and vegetables and enough sleep.

Being punctual will imbue the habit of punctuality and develop self-discipline and time management. We would like to remind parents that students who are not present for the flag-raising ceremony at the hall/classroom will be considered as late for school.

While most of our students are punctual, there is still a handful of students who are late. We will continue to monitor the situation and work with these students and their parents.

2. Cyber Wellness Message – Cyber Bullying

Cyber bullying occurs when electronic gadgets, such as mobile phones and computers, social media and Internet services are used as a means to intentionally hurt someone in the cyberspace. Once a hurtful online post goes viral, it is difficult to stop, and even more challenging to remove it. Victims of cyber bullying may lose interest in school, feel depressed and thus develop a low self-esteem.

Dear Parents,

Thank you for your support in helping the school with our precautionary measures to manage the spread of Covid-19. My frontline staff have given feedback that parents were very understanding and cooperative when approached. Your kind gesture do mean a lot to my staff and I really appreciate it.

Other than the precautionary measures, the current situation is also a good opportunity to educate our children to take care of themselves and others by following these simple 6 steps:

- 1) Bring their thermometer for temperature taking
- 2) Wash their hands thoroughly with soap regularly and avoid touching their face with their hands.
- 3) Use tissue to cover their nose and mouth when they sneeze or cough
- 4) Wear a mask if they are unwell and see a doctor.
- 5) Practise the wipe-down routine after meals
- 6) Boost their immunity with proper diet, such as fruits and vegetables and enough sleep.

In line with Total Defence Day, MOE has launched the 'Soaper 5 Superheros' to fight the Covid-19 virus. This is the link to the 'Bye Bye Virus' video, <https://www.youtube.com/watch?v=h7bAuEDYXYA>, which you could share with your children.

Please refer to our facebook page, <https://www.facebook.com/whitesandsprimaryschoolofficial>, for photographs of our recent efforts in managing the spread of Covid-19 as a school.

1. Responsibility: Punctuality for flag raising and school

In line with the school value of responsibility, we seek parents' support in ensuring that your child reports to school by 7.30 am before the daily flag raising ceremony. Being punctual will imbue the habit of punctuality and develop self-discipline and time management. We would like to remind parents that students who are not present for the flag-raising ceremony at the hall/classroom will be considered as late for school.

While most of our students are punctual, there is still a handful of students who are late. We will continue to monitor the situation and work with these students and their parents.

2. Cyber Wellness Message – Cyber Bullying

Cyber bullying occurs when electronic gadgets, such as mobile phones and computers, social media and Internet services are used as a means to intentionally hurt someone in the cyberspace. Once a hurtful online post goes viral, it is difficult to stop, and even more challenging to remove it. Victims of cyber bullying may lose interest in school, feel depressed and thus develop a low self-esteem.

To stop cyber bullying and stay safe in cyberspace, here are some tips you can practice:

- Be informed and aware of cyber trends and issues
- Participate in the digital world with your child
- Teach your child to be respectful online
- Have open discussions with your child

To help your child deal with cyber bullying, here are some tips you can share with him/her:

- Do not open an email or text message from someone they don't know
- Do not retaliate or reply
- Block the sender
- Update their online privacy settings

- Tell a trusted adult (teacher or parents) who can help

3. Mother Tongue Languages (MTL) Fortnight Activities

As part of the school's continual efforts to expose students to their Mother Tongue culture and traditions and to deepen students' engagement in the learning of the Mother Tongue Languages, the Mother Tongue Language department will be organizing Mother Tongue Fortnight activities for all P1 to P6 students. The activities will be conducted during Mother Tongue lessons.

Through MTL Fortnight activities, the school aims to:

- create engaging environment for the learning of MTL
- provide platforms for students to learn MTL actively
- provide authentic opportunities for students to use MTL and experience different aspects of culture

Day/Date: Term 2 Week 1 & 2: Monday, 23 March 2020 – Friday, 3 April 2020

4. P5 Assessment Plan

Please see attached for the details for the assessment plan for Primary 5.

Thank you and keep in good health.

Your partner-in-education,

Ms Audrey Wong
Principal
