# Supporting your child

Supporting your child's transition through

## Primary 5/6

Build a caring home environment to nurture the social and emotional skills of your child using these S.A.F.E. tips.

### SUPPORT

- **Encourage** your child to **talk to a trusted adult** for guidance.  
E.g. Family members, school counsellors and teachers.
- **Help** your child **understand decisions** made **and actions** taken. **Share** the **reasons** for them.
- **Keep rules short** and **realistic**.  
E.g. No handphones allowed during meal times.

### AFFIRM

- **Recognise** his/her demonstration of **good values or social skills**.  
E.g. Respect or good time-management.
- **Praise** your child's **efforts regularly**.  
Only scolding him/her without providing any justified praise at other times can be demoralizing.

### EMPATHISE

### FAMILIARISE

- **Find out** what Primary 5 and 6 is like for students these days. **Moderate your expectations** according to your **child's** own **strengths** and **development**.
- **Share information** on physical changes during **puberty**; include the range of emotions that may accompany it.

- **Show** that you **understand** your child's **concerns**.  
Be flexible in guiding your child when necessary.  
E.g. Vary your voice tone when you talk to him/her at different times and circumstances.
- **Teach with less talk and more role-modelling**. Children learn a lot by simply watching.

# Supporting your child

- **Start a study timetable**
  - Start preparing early by drawing up a practical and realistic study timetable to help your child get the most out of the time available.

Day/Time	Mon	Tue	Wed	Thurs	Fri
7 am – 2 pm	Lessons in school				
2 pm – 3 pm	...	...	...	...	...
3 pm – 4 pm	...	...	...	...	...

# Supporting your child

- **Academic Resilience** *[ability to deal with academic setback & challenges]* plays a big part in whether child remains motivated
  - Build a good child-parent relationship
  - Avoid comparing your child's performance with that of others
  - **Link praise to effort, attitude or behaviour** rather than the result
- ["You have done well due to your effort put in even when you met with challenges."]*
