IN LINK

27 May 2020

Dear Parents/ Guardians,

Welcome back to school and to a new term! Hope your family has had a restful holiday and break. Though the May holidays fall within the CB period, we hope you have found some time to bond with your family through the suggested activities shared in the May In-Link Bulletin.

As the nation prepares for Phase 1: Safe Re-opening from 2 June (Tuesday), to reduce transmission risks, we would be taking a calibrated approach and upholding safe management measures. We continue to exercise the relevant safe management principles of:

- a) Enforcing good personal hygiene
- b) Minimising intermingling between groups
- c) Decongesting venues and maintaining safe distancing where possible; and
- d) Requiring the exercise of social responsibility

At WSPS, we continue to strengthen our existing system of safe management, comprising visual screening for those entering the school, cohortisation of pupils, good hygiene practices and safe distancing. Our teachers will continue to familiarize the pupils with routines that have been set in place such as temperature-taking, hand washing, wipe down and wearing of face masks or face shields.

As pupils are returning to school after a long break, our focus is first and foremost on re-integrating them into school life and its routines, and then gradually returning to the normal intensity of teaching and learning.

As part of social responsibility, we seek your cooperation in ensuring your child stays at home if he/she is unwell and to inform the C4RE teachers if there is anyone in the household who has flu-like symptoms. On days when your child is on HBL, if you are not able to make suitable childcare arrangements, please approach your child's C4RE teachers for assistance.

Last but not least, I would like to take this opportunity to seek your continued support in working together to remind our children on the importance of personal responsibility so that they can return to school in a safe manner. Hopefully with everyone's effort, we will be able to transit through Phase 1 together and come out stronger.

Vision: Every White Sandian, a success story

Mission: To nurture passionate learners with exemplary character who lead with a heart and contribute to society

Values: Care, Respect, Responsibility, Resilience, Rallying Together, Excellence

1. School re-opening matters

With the end of the Circuit Breaker (CB) period on 1 June 2020, we enter phase 1 of safe re-opening. We will progressively bring students back to school from 2 June 2020 in a careful and safe manner. To reduce the number of students in our school at any one time for better physical distancing, students from Primary 1 to Primary 5 will rotate weekly between HBL and returning to school for lessons. Please refer to PG dated 22 May 2020 for the weekly schedule.

a. Dismissal and recess timings

To reduce sustained intermingling between classes and levels, there will be staggered recess and dismissal timings.

- i) Please note the **recess timing** for the various levels:

Weeks 1 & 3 (In school):

Levels	Recess timing
P4	9.15am
P5	9.45am
P6	10.15am

Weeks 2 & 4 (In school):

Levels	Recess timing
P3	8.45am
P1	9.15am
P2	9.45am
P6	10.15am

- While some of the canteen stalls will be in operation, parents are **strongly encouraged** to pack food for your child's recess break. This is to decongest the canteen further.

- ii) Please note the **dismissal timing** for the various levels:

Weeks 1 & 3 (In school)

Levels	Days	Timing
P4	Mon-Thu	1.10pm
	Fri	12.55pm
P5	Mon-Thu	12.50pm
	Fri	12.35pm
P6	Mon-Thu	1.30pm
	Fri	1.15pm

Weeks 2 & 4 (In school):

Levels	Days	Timing
P1	Mon-Thu	12.30pm
	Fri	12.15pm
P2	Mon-Thu	12.50pm
	Fri	12.35pm
P3	Mon-Thu	1.10pm
	Fri	12.55pm
P6	Mon-Thu	1.30pm
	Fri	1.15pm

- **For school dismissal**, side gates will be opened for the pupils walking home at the respective dismissal timings shown above. We appeal to all parents picking your child up to ensure safe distancing and not crowd around the side gates.
- **As per communicated via PG in Term 2, no waiting and parking is allowed in the school.** For parents picking up your children via private transport, please note that the main gates for vehicles will only be opened 5 mins after the first dismissal time. **Eg. Weeks 1 & 3 from 1.15pm (Mon –Thu) & 1.00pm (Fri) and Weeks 2 & 4 from 12.35pm (Mon- Thu) & 12.20pm (Fri).** If you have children from different levels, please make the necessary arrangements for pick-up. Please note that there is **strictly no waiting or parking** in the school compound for your children. We seek your understanding in this matter.
- **For parents picking your children up from Student Care Centre (SCC)**, please wait at the security guard post. Staff from the SCC will send your child to the guard post.

As for school arrival, we observed that students come at various timings between 6.45am and 7.30 am, hence there will not be any staggering of arrival timings for the moment. We will have staff stationed at the gates and along the way to ensure safe-distancing measures.

b. Guidelines for Mask/face shield Usage

When to wear

- All students should wear their face mask or face shield outside their homes, unless involved in strenuous exercise.
- Individuals should only remove their masks when consuming food and beverages. They should refrain from talking while their mask is removed. **Do prepare a covered bag/resealable bag with name labels to contain and keep the masks when not in use (e.g. eating, PE lesson).**
- Each student will be given a face shield when school re-opens. They are encouraged to wear their issued face shields in the canteen when eating and drinking.
- With the wearing of mask/shield, some pupils might feel uncomfortable especially in view of the recent hot and humid weather, hence, pupils will have the option of wearing their PE attire to school on all days.

Care

- For reusable mask: Wash the mask daily and dry in sunlight, if possible. Hand-wash with warm water and soap.
- For face shield, students will be allowed to bring it home on a daily basis for regular cleaning. Face shield should be washed with soap and water. Wipe dry and air the face shield.

c. Provision of Hand Sanitisers

Temasek Foundation will be providing schools with hand sanitisers in the following quantities by the start of Term 3:

- Each student will receive a 50ml bottle for bringing to school **and** a 500ml bottle of hand sanitizer which they can store at home and use to refill their 50ml bottle.
- Handwashing with soap is more effective in eliminating germs than using of hand sanitisers. Hand sanitisers should be used when hand soap and water are not readily available for hand-washing.
- Good hygiene habits (e.g such as avoid touching eye, nose and mouth without proper handwashing) should continue to be practiced.
- Should students develop a skin allergy/rash due to the hand sanitizer, they should stop using it and inform their parents and teachers.

2. Safe Measures Management in WSPS

Before FHLB, we had begun various measures to keep our students and staff safe. As we prepare to reopen for Term 3, we will continue to strengthen these measures based on key safe management principles as follows:

Key principles	Examples of Measures
Ensuring social responsibility is practiced	<ul style="list-style-type: none">• Staying away when unwell: Students will be reminded to stay at home if they or any adult member in the same household are unwell.• Visual screening at gates and classrooms• Temperature taking• Wipe Down routines• Wearing of masks/shields properly• Practise safe distancing of at least 1m
Minimising inter-mingling between groups	<ul style="list-style-type: none">• Fixed cluster/exam-styled seating• In mixed classes, form class groups to be spaced further from others.
Decongesting venues and maintaining safe distancing	<ul style="list-style-type: none">• Staggered recess timings/pack food from home• Staggered dismissal timings
Ensuring good personal hygiene is practiced	<ul style="list-style-type: none">• Washing hands with soap and water regularly• Enhanced CCE lessons on personal hygiene and social responsibility

3. CCA

To minimise intermingling across classes and levels, CCA will continue to be suspended when the school reopens on 2 June 2020. Socio-emotional learning will continue during in-class lessons and made explicit in CCE, PE, Art and Music lessons. We will explore alternative ways to conduct CCA (e.g. e-CCA) when the students have settled into the new school routine with the enhanced safe management measures. We will respond and update parents accordingly in the weeks ahead in alignment to the national posture.

4. After school lessons

As students are returning to school after a long break, our focus is on re-integrating students into school life and its routines. Our priority is on ensuring their well-being, hence we will not immediately start remedial lessons. You will be informed of any remedial lessons via PG separately at a later date. However, the following after-school lessons will continue as they are part of the core curriculum:

- Reading Remediation Programme (RRP) [Week 5 onwards]
- School-based Dyslexia Remediation (SDR) [Week 5 onwards]
- Foundation subjects
- Higher Mother Tongue

The respective teachers will share the details of lesson schedule.

5. Revised dates for return of report books

Due to the announcement on the weekly rotation between home-based learning and returning to school for lessons, please take note of the following revised dates for the return of report books to your child.

Activity	Date	
	P1 – P3	P4 – P6
Return of report books to pupils	12 June 2020	5 June 2020
Return of signed report books to C4RE teachers	22 June 2020	15 June 2020

As informed in May's In-link Bulletin, the report slips will not reflect any marks due to the cancellation of mid-year examinations. Instead, you will be able to see your child's conduct grade and an update of his/her learning in the remarks section.

6. Assessment matters

Due to Circuit Breaker and changes to the academic calendar, we have also adjusted the assessment timeline and weightage accordingly. The purpose is to give pupils more timely feedback in their learning through bite-sized assessments. These have been earlier shared through May In-Link. **Please note that the dates for Weighted Assessment 1 & 2 for P3 to P5 will follow the class timetable for that week scheduled.** Please also refer to Annex A for the topics to be covered.

Weighted Assessment 1	Term 3 Week 5 (29 June – 3 July)
Weighted Assessment 2	Term 3 Week 8 - 9 (27 July – 4 August)

Thank you for your understanding and support. Please stay safe and keep healthy.

Your partner-in-education,

Ms Audrey Wong
Principal
